ORDER

18 CV 10204 (VB)

The Court received the attached letter dated July 23, 2019, from plaintiffs requesting seeking "some time" to seek new counsel.

Plaintiffs' request is DENIED.

Because plaintiffs are represented by attorneys in this action, they may communicate with the Court only through their attorneys. The Court, however, does not become involved in matters between attorneys and their clients. Plaintiffs are free to discharge their current attorneys and engage another attorney if they choose.

As to plaintiff's request for "some time" to seek new counsel, all counsel, including plaintiffs' counsel, are expected to appear for a post-discovery conference on August 1, 2019. Although there is a motion to dismiss pending, there has been no request to extend discovery deadlines or adjourn the conference, and therefore, those discovery deadlines remain in effect. If any counsel wishes to request an adjournment or extension of time, that request should comply with Section 1(G) of Judge Briccetti's Individual Practices.

Plaintiffs' counsel is further directed to provide a copy of this Order to plaintiffs.
